## CAPABILITY STATEMENT

**CD Gilmore Advisory LLC** provides operational strategy, workflow modernization, technology enablement, and program delivery support to federal, state, and commercial clients. We help organizations strengthen processes, align teams, and improve mission execution through structured analysis, disciplined planning, and practical transformation methods.

### CORE COMPETENCIES

#### Strategy & Transformation Design

Structured methods to diagnose challenges, redesign processes, and align operations to mission goals.

#### Technology Enablement

Clear methods to translate business needs into technology plans and support teams through implementation.

#### Workflow Modernization

Proven approaches to document workflows, streamline handoffs, and strengthen day-to-day execution.

#### Program Delivery and Support

Practical frameworks to guide planning, communication, and risk management for reliable delivery.

### DIFFERENTIATORS

#### Veteran-Led, Mission-Driven

SDVOSB applying military precision and structured leadership to drive results.

#### Professionally Trained & Certified

PMI-aligned delivery, analytics-driven insight, and MBA-level strategic foundation.

#### Measured Performance

Data-first methods that strengthen reporting and drive faster decisions.

#### Cross-Functional Expertise

Experience coordinating business and technical teams to support modernization.

### PAST EXPERIENCE

**15+ years** of operational **leadership and transformation** experience across the **commercial banking and the U.S. Army**. This includes managing logistics and mission execution for 200+ personnel, **leading enterprise workflow improvements** that delivered **20–30% efficiency gains**, supporting **\$100M+ in revenue pipeline growth**, and contributing to **\$5M+ in cost savings** through process and technology redesign. This combination of military discipline and financial-sector transformation provides a solid foundation for supporting modernization, workflow optimization, and program delivery across government environments.
